## CITY AFFAIRS.

Meetings This Day.

Union Kliwinning Lodge, at 7 P. M. Tyre Lodge, at half-past 7 P. M.

THE HOLIDAY TRADE .- As a general rule, the most extensive and liberal buyers of holiday goods do not put off their purchases until the stocks have become low and the crowd so great that they are unable to make satisfactory selections. Indeed, as we happen to know, some of the most desirable customers in that branch of bride are already on the lookout for sourceirs of the coming season. Dealers who propose to ongage in it-and which of them does not !should therefore announce their attractions with ont defay, if they wish to reap an early harvest.

We need hardly add, what they already know that the advertising columns of THE NEWS at wars a redex of the business of the city, are consulted now more than ever by those desiring bar gains in any branch of trade.

THE MARINER'S CHURCH .- There will be service in the Mariner's Church, Church street, to-mor row, Sunday, at half-past 10 o'clock in the moni

THE NESTORIAN.-This reverend gentleman will preach to-morrow morning in Glebe street Preabyterian Church, Rev. Dr. Girardeau, pastor. Subject: "The Sufferings and the Persecutions of venerable Rev. Wm. B. Sprague, D. D. L. D., in speaking of this discourse in his letter of commen-dation to the Reverend gentleman, says: "It was a discourse every way suited to the sacreduess of the Sabbath, and fitted to make every American Christian more grateful for his privileged lot, and more earnest in his efforts for the renovation pressed concerning my brother's discourse, and that was one of high approbation.—Albany, N. Y., January 14, 1867." All are cordially invited to ettend. Seats free.

CAPTAIN W. T. MCNNLTY .- The following ragraph, which we copy from the Savannah tepublican of Thursday last, confirms a rumor which had prevailed. We hope that this superior officer, who has for some years been engaged in steamboat service about this port, may, in sepa-rating from his noble craft, enter a calling which rill bring him abundant prosperity. The Repuban says: "We rogret to learn, in common with entire travelling community, that Captain W. McNeity will retire from the command of the sommercial business. It is unnecessary for us to say a word, except to express regret that his ser-vices should be lost to the line; for no more able or gentlemanly officer ever trod a deck. We, in wish him every success in his new undertaking

ECCLESIASTICAL COUNCIL.-We are informer that an Reclesiastical Council, appointed by the Charleston Raptist Association, held a conference on the 8th and 9th instants, with delegates from Wassamasaw, St. James', Mt. Olivet and St. Stephen's Churches, in the neighborhood of St. Stephen's Station on the Northeastern Railroad to consider the case of the Rev. J. O. C. Brandon rgainst whom grave charges have been preferred. The Council was organized by the appointment of the Roy. Dr. Winkler, as moderator, and Rev. T. W. Mellichamp and Thomas W. Easterling Esq., as clorks. After a session of two days, dur ing which the charges against Mr. Brandon were thoroughly investigated, the Council and Confer ence unanimously withdraw their fellowship from Mr. Brandon as a minister of the Gospel, and urged the churches at large not to recognize him in that relation. Mr. Brandon is, we believe, at present, a member and the pastoral supply of the Point Comfort Church.

The County of Greenville has agreed to seribe \$200,000 to the Air Line Road.

A LOSS PROMPTLY PAID .- The Southern Life rance Company is always prompt in adjusting lossen. Repeated instances of its promptness

in such matters have been brought to the attention of the public. One of recent occurrence in South Carolina is thus related by the Laurensville Her-

we have been authorized by the administrator of the estate of Miss Eliza J. Simpson, deceased, to acknowledge, on his part, the prompt payment of 2 two thousand dollar policy on the life of the deceased. Within four days after letters of administration were granted, the necessary funds were placed by the company, through their deneral Department Agent, J. Il. Miller, in the hands of Messrs. Tobin & Mosely, agents, and paid to the logal representative at Laurens Courthouse, S. O. If any testimony were necessary to enhance the confidence of the public in the Southern Life Insurance Company, of which General John B. Gordon is the president, facts like the present instance must be cogent and convincing. Under such facts and circumstances the present popularity of this company must continue to enlarge; and, as a safe depository of Southern capital, address itself to this and the entire Southern commanity.

THE ACADEMY OF MUSIC. - Last night was he benefit night of the Chapman Sisters, who played in "Ixion" and the "Pet of the Petticoats." Their acting and singing were bewitching, and so the audience thought. The astounding Bishop surpassed himself in both places and has festen of the risible public. THE WATT PLOUGH TRIUMPHANT

This PLOUGH is now the leading Plough of the Middle and Cetton States. Among the hundreds of testimonials we have from practical Planters and Farmers, we would call attention to the following extract from a let-ter received from Colonel B. G. LOCKETF, of the large planting firm of Jordan & Lockett, dated Albany, Ga., November 27, 1869:

ouany, Ga., November 27, 1869:
"Before closing this letter, I cannot refrain from expressing my sincere thanks to you for the invention of the BRST PLOUGH NOW IN USE. It is the delight of the negro. Besides doing the best work that I have ever seen any Plough do, it rubs with more case to the ploughman, and the draft to the animal is lighter than any Plough I have ever used.

have over used.

"Your Plough has already become a necessity to me, and I would feel ruined without it. I am satisfied we have saved, annaually, thousands of dollars in mules alone. It is the Cheapest Plough I have ever used, of any kind or description, and I am anxious to bring, if I can, to the notice of my fellow-p'anters, this most valuable Plough." Colonel Lockett commenced using these Ploughs in the spring of 1888, and now has more than two hundred and fifty (250) of them on his plantations. We have testimonials as emphasic from leading planters in North Carolina, Houth Garolina, Goor-gis, Alabama and Texas, but this will suffice for the most topochiles.

During the present fall, this Plongh has taken Preminms at Eight Pairs held in Virginia, North Carolina, South Carolina and Alabama, and re-ectived the Highest Ratings at the Great Field Trial in Pennsylvania, in Angust Last, when more than Ping Different Plonghs were tested.
